From the Editor

Greetings to All,

This will be a small newsletter for May-June 2016. We have had limited attendance at our meetings this winter. There are a few pictures to share, but not much gossip.

I am subjected to the usual problems when computers break down. Two used computers failed me this spring, and now a new computer is requiring all the configuration and reloading of software.

The last two newsletters did not get loaded on the Internet. Hopefully this one will be published online.

Two important events are listed in the events section. Lea and I will be with family gathering in May and will miss the Shepherd's Wool Market.

A CSKMS conference is planned for July 7-10 this year. Attendees are slow in registering and it looks like we will have fewer people than we hoped for. It is a 616 mile drive to Henryville, IN, but Lea and I plan to drive with one overnight stop. We also found a motel 6 miles from Henryville, which will save us about \$400.

For those wanting a get-away. Check on our site at <http://cskms.org/>

If someone takes pictures and writes a report on the Shepherd's Wool Market, I can use it in the next newsletter.

Upcoming Events; 2016
