From the Editor

The knitting day at the home of Jack and Sherry Wheatley on April 8 was a wonderful success. Thank you, Jack and Sherry.

In this third issue of the Circular, I hope to settle in a routine of reporting activities of the Club. Our two meetings were fun and educational for the attendees. The future looks bright.

I look forward to posting more pictures of the events and people involved.

I do apologize for not having this issue of *The Circular* on schedule. I should be wiped with a wet noodle!!

A few of us made it to the Old Fashion Days in Caledonia on April 30. We had the opportunity to advertise GVSMC to more of the fiber arts public. Pictures and more information about that event will follow in the next issue.
